

These collectors included in this table are currently permitted to operate in Loudoun County until March 31, 2015. The Department recommends the collection company be contacted for service area and specific service information.

Under the Loudoun County Ordinances Chapter 1086, no person shall knowingly contract for collection or recycling services with a collector that is not permitted in Loudoun County, if such a collector is required to be permitted under Chapter 1084 of the Loudoun County.

“Major” collectors must provide recycling services for all their customers. If you encounter contact problems or misinformation, please contact the Department at 703-737-8769 or oswm@loudoun.gov
